Participate in our 3rd annual Summer Art Camp and expose your child to creative fun at the Gibby Center. **Enjoy** one or two weeks of artistic activities at Middletown's only nonprofit community arts center. Campers will explore various art mediums, produce their own artwork, and work on group projects. Take advantage of this program to round out your child's summer!

Class Offerings

Preschool: You and your preschooler will explore art together for 1 hour a day using age appropriate materials to create drawings, paintings, collages, sculptures, and more. Pre-school campers (ages 2 1/2 to 4) must have a parent or guardian stay to assist them in their art activities.

Grades K-1: Young campers will have the option of choosing between half and full day programs to explore a variety of art techniques. 10 minute snack breaks will occur during both morning and afternoon sessions. Full-day campers will have a 40 minute lunch break between sessions. They are required to bring their own lunches.

Grades 2-4 and 5-8: Campers will spend the day creating a variety of age appropriate art projects designed around that day's special theme. Mid-morning and mid-afternoon snack breaks and a 40 minute lunch period are scheduled. Students are expected to bring their own lunch.

Before Care starts at 7:45 AM for \$30 per week. Morning activities will allow the children to participate in low impact moves, physical activities, and games.

After Care is available until 5PM for \$30 per week, and will include activities that are less physical such as videos, games and puzzles.

All campers will be asked to provide snacks and drinks **for the group** once or twice during the week (**No peanut products please**). Registrants will receive further instruction post-enrollment.
