Two exciting weeks of fun activities!

Kids will love participating in our fourth annual Summer Art Camp, Art Quest I & II. Your child will enjoy one or two weeks of creative activity and fun at Middletown's only non-profit, community arts center. Campers will explore various art mediums, produce their own artwork, and work on group projects. Take advantage of this program to round out your child's summer!

Art Quest I **The World Within You** **July 18 - July 22**

Week One will focus on creative designs based on imagination. Students will use a variety of 2 & 3 dimensional materials to explore all things imaginable, including dragons, fantasy figures, mythological creatures from around the world, & much more!

Art Quest II **The World Around You** **July 25 - July 29**

Week Two will use real world observations to create artworks. Landscapes, people, architectural structures, and all else that we see around us will be the basis for creative projects using a wide variety of art materials and found objects.
